2027

JEWISH CALENDAR & GUIDE

Dear Friend,

We are proud to present you Chabad of the Town's 21st edition of our popular Community Calendar & Program Guide. For the Jewish year 5787, corresponding to September 2026 - September 2027.

The calendar is easy to use for planning all events and a guide for everything Jewish, including Shabbat & holiday dates, candle lighting times, other tidbits, and many of Chabad's programs.

The calendar celebrates community and we are proud to count YOU as part of the special community, Chabad TMR has created over the years. Thousands participate in our programs and services which span from Bright Beginnings daycare to seniors of our Young At Heart program. Our community is special because you are a part of it and everyone considered as if they are a full world!

Every one of our incredible team, and all of our programs are here to serve you, strengthen you and your Jewish connection.

The calendar plays a large role in connecting so many who may never see each other but yet are part of this community and what makes it so special.

Hence, the calendar celebrates our programs and the demographics it reaches. We look forward to welcoming you this year again and to many more activities.

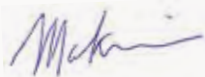

SPECIAL THANKS to our calendar sponsors who advertised their business. Their participation enables us to produce this community calendar and send to over 6,000 homes & businesses and continue bringing everything Jewish to you. Please support them and let them know you saw their ad in Chabad TMR Calendar.

There are over 500 of your loved one's Birthdays & Yahrzeits on the date of the occurrence. Feel the community spirit and call them to wish Happy Birthday or share your friendship for a Yahrzeit.

Please open your heart and partner with us by sending your generous tax-deductible contribution in the enclosed envelope. Our funding comes from the local community - people just like yourselves - and remains within the local community.

My wife Dina, our family and dedicated staff, join me in wishing you a Shana Tova. May this be a year filled with Joy, Health, Prosperity and may the Almighty inscribe you in the Book of Life.

Happy New Year,

Rabbi Moshe Krasnanski
